African American A Concise History

African Americans: A Concise History illuminates the central place of African-Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. It follows the long and turbulent journey of African-Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African-Americans have sought to counter oppression and racism.
