# Online Library Americas Original Sin Racism White Privilege And The Bridge To A New America

The United States of America was established as a white society, founded upon the genocide of another race and then the enslavement of yet another. To make such a statement today is to be immediately accused of being rhetorical or, worse yet, of being "reminiscent of the '60s." The reaction is instructive and revealing.

America's Original Sin: Racism, White Privilege, and the Bridge to a New America is a 2015 book by Jim Wallis. The book examines the United States' issues with race, and issues a call to action in overcoming the racism ingrained in American society, rooted in fundamental Christian values. It argues in favor of telling the truth about the
