Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store.

Between Debt And The Devil

Between Debt and the Devil challenges the belief that we need credit growth to fuel economic growth, and that rising debt is okay as long as inflation remains low. In fact, most credit is not needed for economic growth—but it drives real estate booms and busts and leads to financial crisis and depression.

Between Debt and the Devil | Princeton University Press

By Peter Thal Larsen Scattered throughout Adair Turner's "Between Debt and the Devil" is a little word that rarely features in most books about finance. The word is "we". Its repeated appearance is a reminder that Turner is not just analysing the malaise of post-crisis economic policymaking: he is campaigning to upend the consensus.

Between Debt and the Devil - CFS

Between Debt and the Devil discusses the long history of proposals to remove the power to create money from banks. During the Great Depression of the 1930s, a number of well-known American economists advocated this policy, even presenting it to President Roosevelt as a recovery plan (the idea eventually lost out to the New Deal).
