Collaborative Practice With Vulnerable Children

We are very pleased that Nadhim Zahawi MP (who was at the time Parliamentary Under-Secretary of State for Children & Families) has written the foreword for our new ' Guidance for safe working practice ' for professionals working in education settings. The original guidance was developed by a DfES network in 2005, revised in 2009 and 2015.

Collaborative learning appears to work well for all ages if activities are suitably structured for learners' capabilities and positive evidence has been found across the curriculum. Not all of the specific approaches to collaborative learning adopted by schools have been evaluated, so it is important to evaluate any new initiative in this area.

Collaborative learning | Toolkit Strand | Education ...

HRSA fulfills its mission through grants and cooperative agreements. A grant is money, property, or direct help we award to a qualified non-federal entity (NFE). A cooperative agreement is like a grant in that we award money to NFEs. However, we also help with program activities. Find Global Health Opportunities Looking for an Office of Global Health grant?

the Secretary of State for Children, Schools and Families commissioned Lord Laming to provide an urgent report on the progress being made across the country to implement effective arrangements for safeguarding children. The report concluded: 'There now needs to be a step change in the arrangements to protect children from harm' (DCSF, 2009b ...

The impact of the Baby Peter case on applications for care ...

Community-based care focuses on health promotion, disease prevention, and restorative care. Because patients move quickly from acute care settings, there is a growing need to organize health care delivery services where people live, work, socialize, and learn (Swiadek, 2009).One way to achieve this goal is through a community-based health care model.
