One of the most ambitious crochet books I've come across is Crochet Master Class: Lessons and Projects from Today's Top Crocheters by Jean Leinhauser and Rita Weiss. Don't let the title intimidate you—the words “master” and “class” have duplicate definitions and could be misunderstood at first glance. It's not a book for crochet masters; it's a book by them.

You can start at the very beginning to learn about the materials necessary for crochet and how to use them. Then you can proceed through the crochet lessons to practice single crochet, double crochet, and other basic crochet stitches. As you advance into the later lessons, you can learn shaping, texture, blocking, and reading crochet patterns including symbol charts.

Thank you so much for the lesson on crocheting. I'm going to be a grandma for the first time at the end of the year and I want to crochet my grandchild a blanket. I have watched many videos and for some reason I just couldn't get it. I watched your videos once and got it right away. Thank you so much for sharing your knowledge on crocheting.
