Very Short Introductions Offers a lucid and objective look at Freud's major theories, evaluating whether they have stood the test of time, and in the process examines Freud himself in light of his own ideas

Freud: A Very Short Introduction - Anthony Storr - Oxford ...

I found this book to be a superb introduction not just to Freud but to the core concepts of psychoanalysis as a whole. Don't be fooled (or put off) by the title saying it is a "short" introduction, there is nothing short or shallow about this book. Thanks to the fairly small print it actually contains a huge amount of information.

Freud: A Very Short Introduction (Very Short Introductions ...

Freud was once revered as a kind of Messiah. Now he is reviled. As usual, the truth lies somewhere in between. Given the brevity of this book, it is remarkably comprehensive, and is an ideal introduction to the man and his work. I read Schopenhauer: A Very Short Introduction before reading this book and I would recommend doing that.

Amazon.com: Customer reviews: Freud: A Very Short Introduction

From his earliest years, Freud was a serious, dedicated student who was evidently expected by his family and teachers to make his mark in the world, and who himself acquired a conviction that he was destined to make some important contribution to knowledge. Family life revolved around his studies.

Freud: A Very Short Introduction | Anthony Storr | download

About the Series: Combining authority with wit, accessibility, and style, Very Short Introductions offer an introduction to some of life's most interesting topics.

Freud: A Very Short Introduction by Anthony Storr ...

Freud's work on narcissism caused him to change his bipartite model of the mind to the familiar id, ego, and super-ego model. Aggression was originally thought to be a part of the sexual instincts, but it is actually distinct. He explains an internal battle between the creative drive Eros, and the aggressive, destructive, death instinct.

5. Ego, super-ego, and id - Very Short Introductions

An excellent introduction to Freud's work, this book will appeal to all those broadly curious about psychoanalysis, psychology, and sociology. About the Series: Combining authority with wit, accessibility, and style, Very Short Introductions offer an introduction to some of life's most interesting topics.
