Strategic positioning should translate into one of two things: a premium price or lower costs for the company. Achieving Superior Performance Within an Industry It's possible to compete on low cost and be differentiated at the same time—but companies that try to be all things to all customers can wind up getting stuck in the middle, a strategic mistake that Michael Porter calls “the kiss ...

Strategic Positioning - Harvard Business School

KEY CONCEPTS: STRATEGIC PLANNING Vision, Mission & Values • Develop a process for shared agreement on mission, vision and values from key stakeholders. o Mission = A statement of why the organization exists, at the most meaningful level. It is aspirational, in that it can never be fully achieved.
