So Apple, next time just include the User Guide, pre-installed on all iPad devices. I'd even recommend that you open the User Guide as a user does their first login, there should be no hunting. Or, better yet, a series of Videos to demonstrate how to use this fine touch device, because words never caption the simplicity that a video does.

Great manual Typical of Apple they've thought of about everything. Well organized, written and illustrated, the handy Apple Watch guide is going to be my #1 resource to learn about the operation of my new watch. Apple MUST spend an equal amount of resources on writing their guides as the do developing their merchandise. Bravo! Well done.
