Visit the support section to download the user manuals. You can also test out the combos and cabinets at your local Marshall Dealer. Where can I buy the old style impedance selector for my amplifier? Old style selectors are no longer available. We would recommend speaking to a qualified engineer to fit a new rotary selector.

I have owned several Marshall cabs. 1960A, B, and 1922 2x12", and have helped friends purchase Marshall cabs. In my experience, they are the toughest, best constructed, best sounding on the market. Matched with Celestion (the best rock speaker maker), these cabs are superlative. Made with excellence.

Vintage Marshall looks. The Marshall 4 x 12" 1960AX speaker cabinet doesn't only nail the classic sound of Marshalls from the past, but you also get that same visually striking tower of goodness behind you onstage, as well. The 1960AX cabinets are made with the 1970s style checkered grill cloth and vintage-looking Tolex with gold piping.
