LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Reel Inequality Hollywood Actors And

Yuen also exposes sexist hiring and programming practices, highlighting the structural inequalities that actors of color, particularly women, continue to face in Hollywood. This book not only conveys the harsh realities of racial inequality in Hollywood, but also provides vital insights from actors who have succeeded on their own terms, whether by sidestepping the system or subverting it from ...
