## **Strategic Stock Trades - Day Trading Tips & Strategies**

The best thing about investing strategies is that they're flexible. Here are four investment strategies you should learn before you begin to trade.

### **Investment Strategies To Learn Before Trading**

History always repeats itself in the stock market. Ignore personal opinions about the market. Three out of four stocks, regardless of how "good," will eventually follow the trend of the overall market. When starting to invest, keep it simple. Short stocks only in a bear market. Use tight stop losses and take profits often.
