Good to Great by Jim Collins Book Summary - Oberlo Blog

Good is the enemy of Great. Being good rather than great is wrong, so the book is about being great. Good is the enemy of great because it's easy to stay good but hard to work for being great, many companies don't even try to be great. There's not striving to be the best in the industry, this opens the door to a competitor.

Good to Great Book Summary with Important Factor for Being ...

Collins goes on to describe how he and his research team selected the good-to-great companies that they studied for this book. To be included, the companies had to go from showing good results to great results and continuing showing great results for at least fifteen years.
