The Flash Stop Motion Jla

The Flash is nicely presented as a younger hero, very powerful yet insecure against the legends of the JLA, and the otherworldly antagonist is effectively creepy and interesting. After building up the powers of this extra-dimensional SuperLuminal in anticipation of the final encounter the author does the unforgiveable.

The Flash: Stop Motion by Mark Schultz; audio book by Graphic Audio, is pretty good. This story is part of a series of books about the Pre New 52 DCU Justice League. As far as I know all of the books are stand alone stories, and I don't think you need to read them in any particular order to understand any of them.
