The Human Stain American Trilogy

This amazingly insightful novel, set in 1998, is an unrelenting look at the conflicted American psyche over prurience, purity, and political correctness and the havoc that is wreaked in the mix of those obsessions. 1998 is the year when the American public can't wait to read every anatomical detail of a President's affair with an intern while pretending to be horrified.

The Human Stain: American Trilogy (3): Roth, Philip ...

The Human Stain digs deep into racism and its attendant politics in the 20th century. A light-skinned negro decides to "pass" as white and to do so successfully, he separates himself from his family. He enlists in the Navy as "white", attends college as "white", and marries a white woman as "white".

The Human Stain (The American Trilogy, #3) by Philip Roth

Set in 1990s America, where conflicting moralities and ideological divisions are made manifest through public denunciation and rituals of purification, The Human Stain concludes Philip Roth's eloquent trilogy of postwar American lives that are as tragically determined by the nation's fate as by the "human stain" that so ineradicably marks human nature.
