"We are the sum total of our experiences. Those experiences – be they positive or negative – make us the person we are, at any given point in our lives. And, like a flowing river, those same experiences, and those yet to come, continue to influence and reshape the person we are, and the person we become.

We are the sum total of our experiences | Tom McCallum

So, now, with a drum roll, this is definition of the Employee Experience: The Employee Experience is the sum of the various perceptions employees have about their interactions with the organization in which they work. Wow. That was anti-climactic! Indeed, at first blush, this seems like a cryptic, academic definition.

What is the Definition of the Employee Experience?

The Sum of My Parts is the incredible true story of Olga Trujillo, whose childhood was devastated by sexual abuse and violence. This memoir follows Olga as she splits herself into "parts" and develops dissociative identity disorder to cope with the abuse, and then struggles to merge these parts and overcome the disorder in adulthood.
