How can human service professionals promote change? ... The cases in this book are inspired by real situations and are designed to encourage the reader to get low cost and fast access of books.

### Vespa P125x P150x P200e Scooter

The P-series scooters consisted of three models, the P125X, P150X, and P200E when it debuted in 1977. The only difference between the models was in the size of the motors that were installed. The frames on all three were identical. This was a major thematic departure from previous Vespas, where each of the models had a distinct body.
